

Project Status & Update

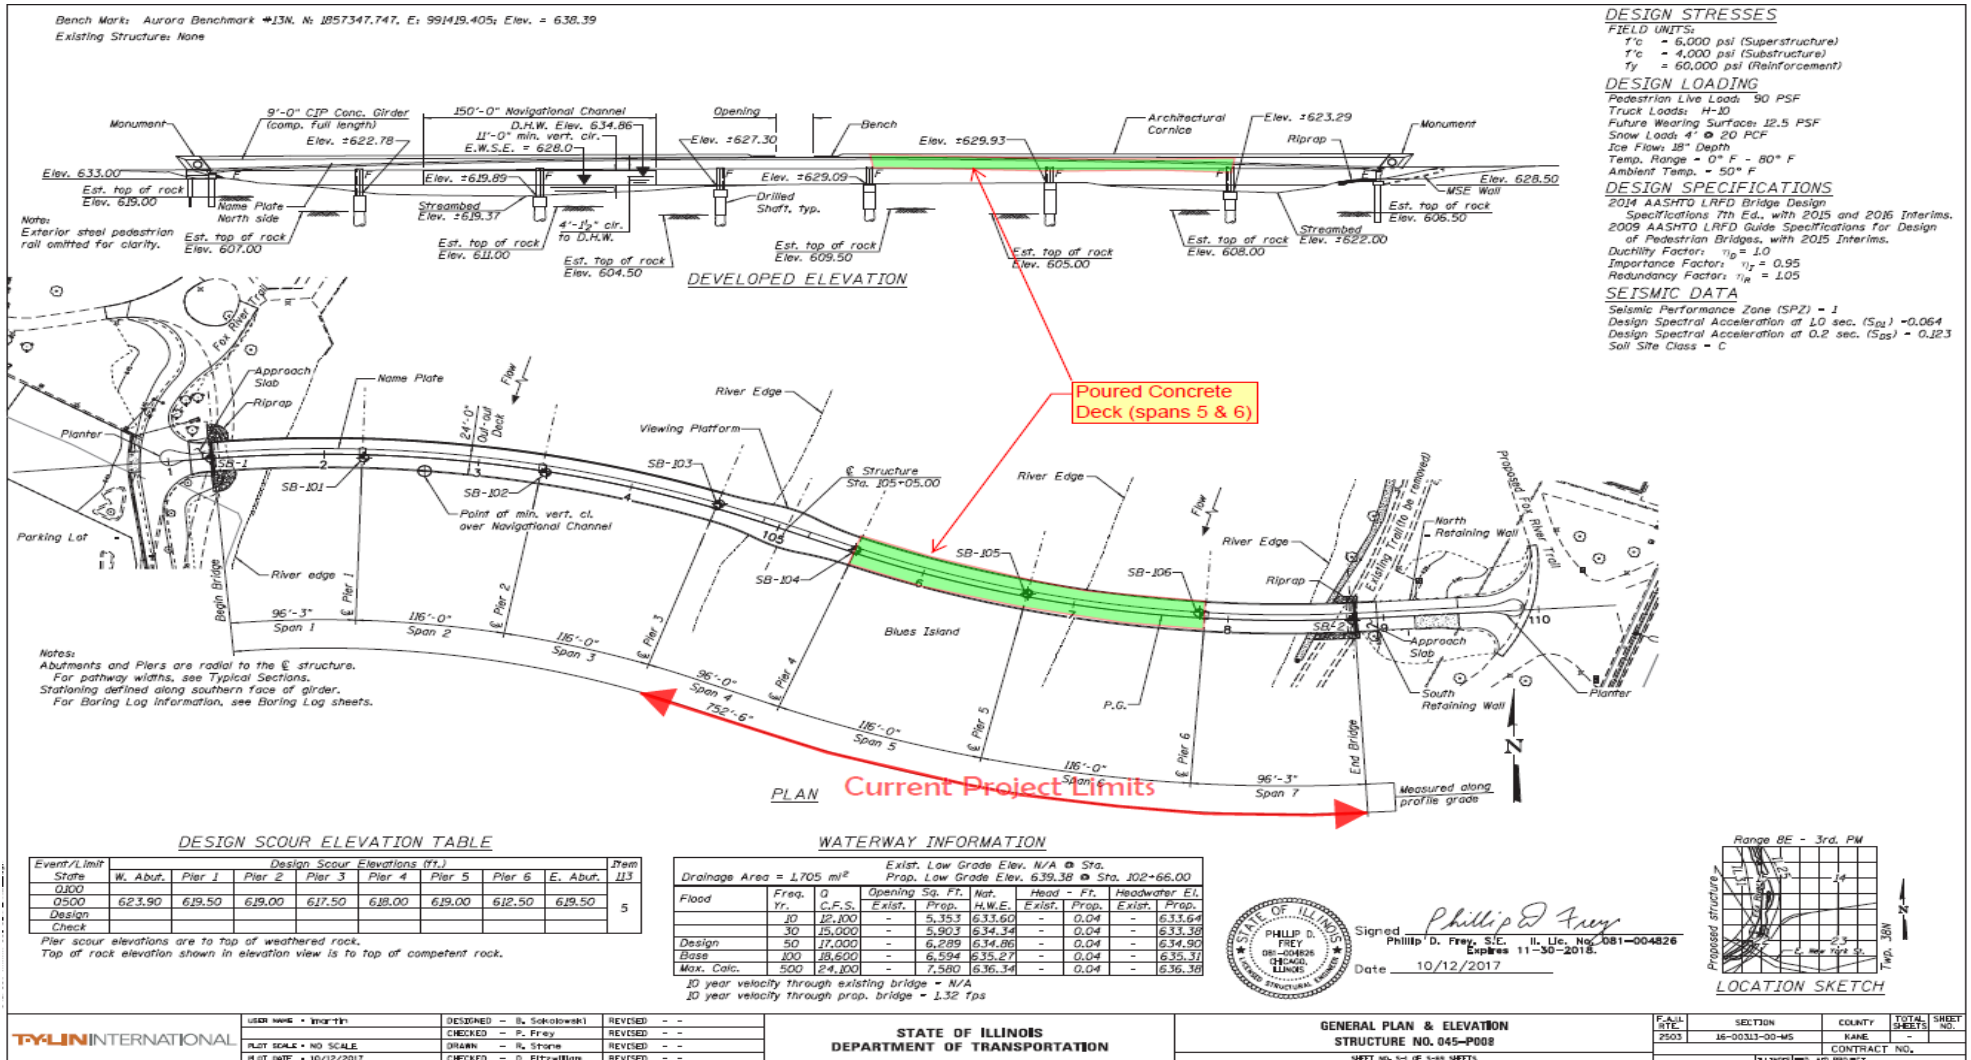

January 6, 2020

Souts Thavong

Bridge Construction

Contractors continue working through the winter months with installation of bridge reinforcement, electrical conduits, framing/setting walls and deck platforms. Poured concrete decking at spans 5 and 6. Additional information and construction updates are available on the City website at: <https://www.aurora-il.org/1928/Aurora-Transportation-Center-ATC>. For commuter parking information at the ATC parking lot, please see the City's website at: <https://www.aurora-il.org/1170/Commuter-Parking>
