

# ATC Pedestrian Bridge Project Status & Update

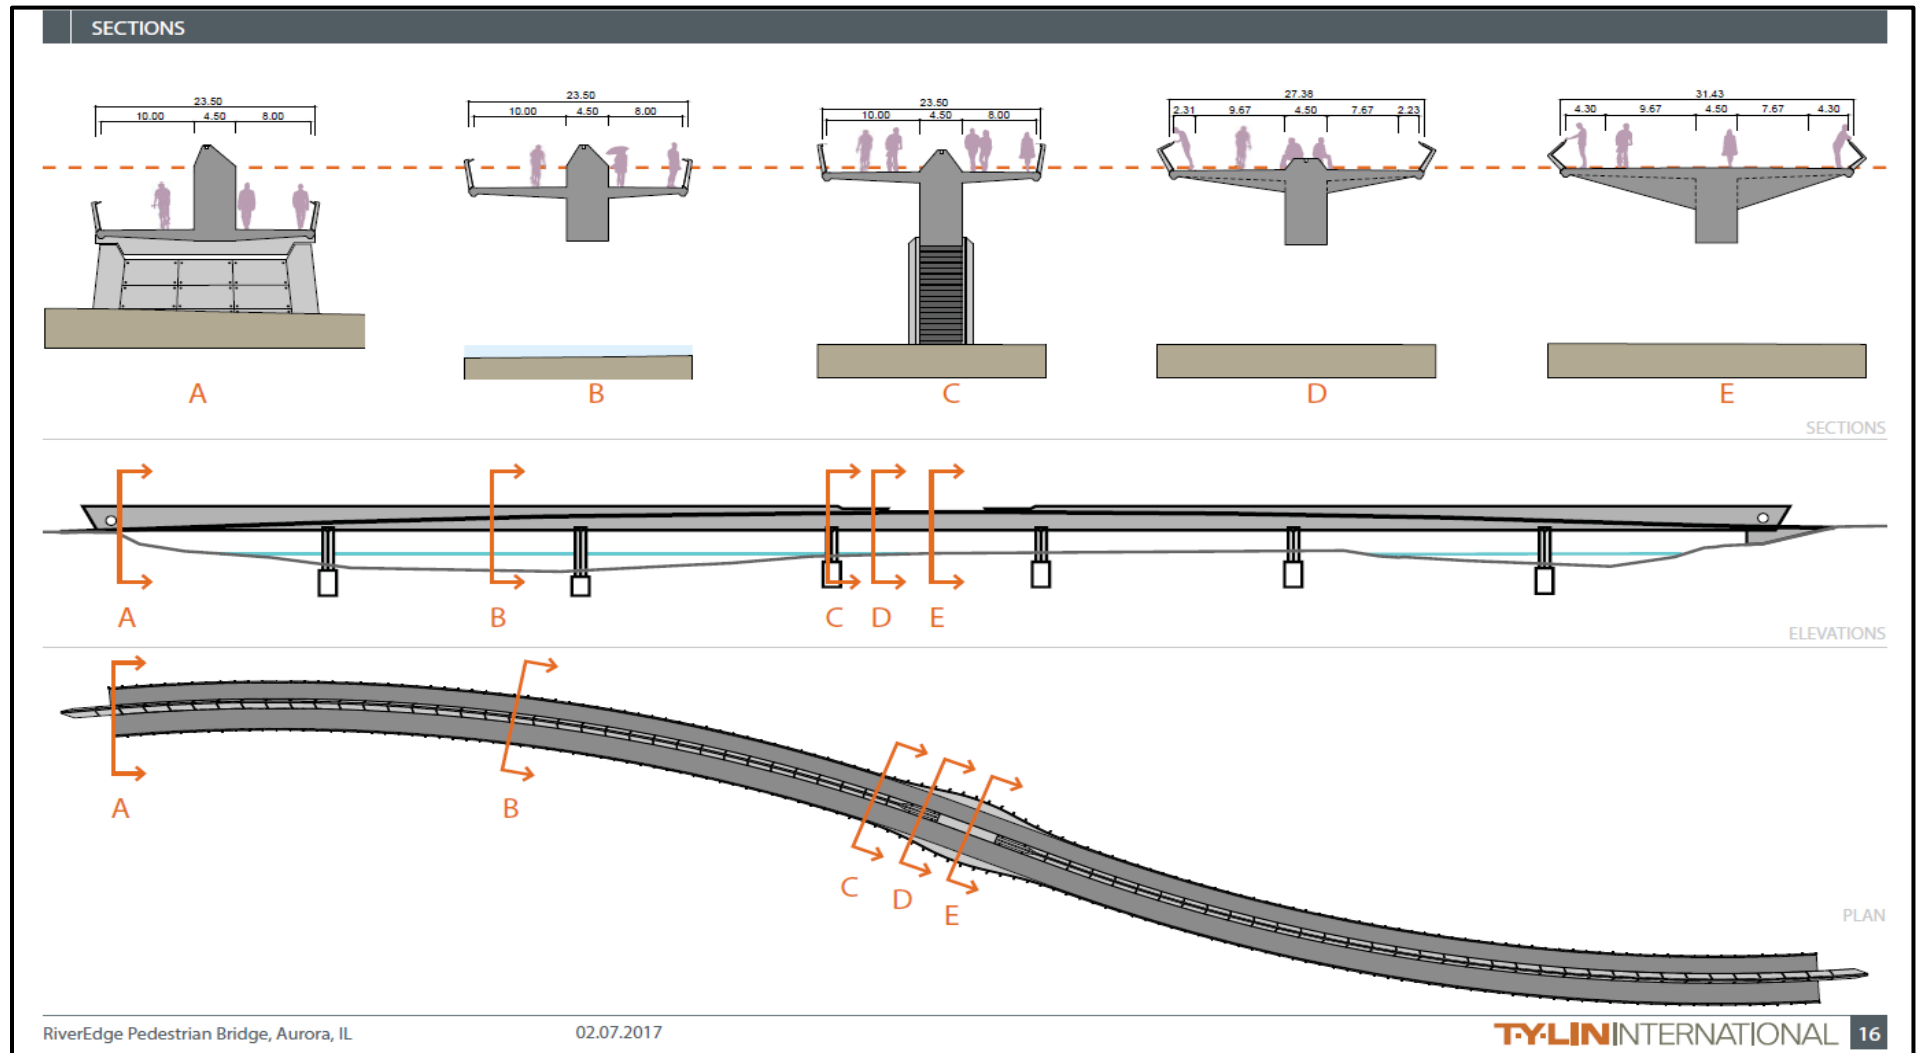

October 9, 2020

Souts Thavong, City of Aurora Public Work Division

## Bridge Construction

Construction continues with removal of the causeway, installation of the bridge lightings, patch and grind upper and lower boxes, restore and seed disturbed area/blues island, pull steel cables for the pedestrian railing, remove stones in the causeway. Addition information and construction updates are available on the City website at: <https://www.aurora-il.org/1928/Aurora-Transportation-Center-ATC>
